

Directions to Te Puna Wai.

Stay on Highway 6 until it becomes the waterfront; Rocks Rd.

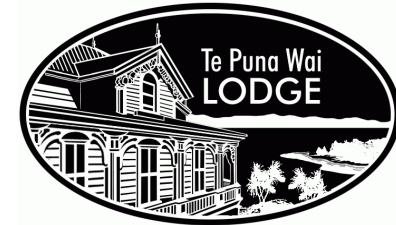

Richardson St. is the 1st **major** intersection on the waterfront part of Rocks Rd; opposite Haulashore Island. The street-sign is on the seaward side.

Follow Richardson up the hill & through a 90° left-hand turn.

Te Puna Wai is on the right (look up). **We recommend that you do not U-turn into our driveway.** Proceed up past us, turn at the top of the hill & come back down.

It is permissible to park on the road anywhere that there is not a broken yellow line. We recommend the roadside opposite the house.

Best wishes, Richard Hewetson & James Taylor.
